## EXPERIENCE

### Online Data Rater (Seasonal) | TransPerfect

*July 2023 - October 2023*

Reviewed, evaluated, and reported on the accuracy of online queries.

### Code Sensei Instructor | Code Ninjas

*March 2023 - August 2023*

Supervised students to make sure they were on task or needed help. Advised students on what they needed to do if their code wasn't working or their laptop was going slow. Resolved issues with students if they couldn't log in or remember their passwords. Managed two summer coding camps. Introduced parents and children on tours to the coding curriculum that Code Ninjas use. Inspected laptops and tablets for unexpected upgrades or low batteries before the children arrive. Hosted birthday parties along with coworkers. Boosted the amount of students attending Code Ninjas.

### Content Writer (Seasonal) | Resilience, Inc.

*April 2023 - June 2023*

Edited documents, and reviewed presentations.

### Math Tutor/Grader | Kumon Math and Reading Tutoring Center

*July 2019 - November 2020*

Graded math papers and calculated the grades. Instructed students on where to sit. Provided students feedback on why their answers were incorrect and taught them how to correct their answers.

### Summer Youth Program Volunteer Aide | Arkansas Arts Center

*June 2018 & June 2019*

Presented problems to the art teacher. Maintained the room clean, organized art supplies, and obtained the artwork. Encouraged ideas for the students to use when they ask for help with their work.
